Spring 2010

Jane Iredale Events

Throughout the year, we hold various Jane Iredale make-up events at Neroli. A qualified make-up artist from Jane Iredale will come to the salon and take you through a 45 minute session telling you all about the award winning products, letting you try them out and giving you helpful hints and tips about the wide range available.

A session costs just £20 which is redeemable against any Jane Iredale products bought at the time!

If you are interested, please give your name and phone number to Rosina at reception and we will be in touch!
